

KAS Current Affairs - Complete Revision Guide

Syllabus: national, international, Karnataka, economy, science, environment and social issues.

1. MONTHLY FILE

Create folders for polity, economy, environment, science, international affairs, culture, awards, sports and appointments.

2. KARNATAKA

Track state budget, flagship schemes, agriculture, irrigation, urban issues, welfare, education, health and district initiatives.

3. ECONOMY

Revise inflation, GDP, fiscal deficit, monetary policy, banking, taxation, budget terms, reports and indices. Note the publishing in

4. SCIENCE AND ENVIRONMENT

Cover space, biotechnology, digital technology, biodiversity, climate agreements, protected areas, rivers and environmental law

5. NOTE METHOD

For every event record what happened, why it matters, institution, Karnataka connection, one date and one fact.

Separate stable concepts from changing figures. Verify important facts through official releases.

6. REVISION

Read daily headlines, prepare a weekly brief, revise monthly notes and solve a monthly quiz.

Practice: convert every news item into one prelims fact and one mains-style analytical question.
